Section 1: Core subjects

All students study Mathematics and Religious Studies. Students for whom English is not their first language need to choose between studying GCSE English Language and English Literature or EAL.

If English is not your first language, participation on the GCSE English Language and Literature course is at the discretion of the Head of English and the Head of EAL.

- Mathematics
- Religious Studies

- } English Language
- } English Literature
- OR
- EAL

Section 2: Choice subjects

Students must choose a total of six options from those listed below. Two or three choices must be Sciences and at least one must be a Modern Foreign Language.

Sciences

Students choose to study either three separate Science IGCSEs or two Science IGCSEs.
