Pupil Code of Conduct: Sixth Form

St Mary's School's (the School) remarkable foundress, Mary Ward (1585 - 1645), dedicated her life to providing educational opportunities for girls and attempting to open new opportunities for women who had a religious vocation within the Catholic church. She is a wonderful role model to our School community: a woman of integrity, discernment, courage, and love.

There is much in her way of life that is still at the heart of all that we stand for today in the School community: mutual trust, honesty, respect for others and the environment, service, and care for others.

Our code of conduct is designed to promote harmony as well as a collaborative and effective learning community. All pupils of the School are expected to act with responsibility, courtesy, and consideration. Our Mary Ward characteristics provide our pupils with a moral and spiritual framework, and we base our code of conduct on her vision.
